## Doctor Tells How to Strengthen Eyesight 50 Per Cent in One Week's Time in Many Instances

**A Free Prescription You Can Have Filled and Use at Home**

Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the

prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

NOTE: Another prominent physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen weakened eyes in one week's time in many instances or refund the money. It can be obtained from any good drug store and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by all good druggists, including Jacob Bros. Valiant Drug Co., Detroit, Mich.

# Paramount A Real Achievement in Tone Quality

The Paramount Talking Machine has exclusive features which show true progress in tone development. When you hear the Paramount played you are at once impressed by its clearness and beauty of tone; its natural, life-like reproduction; the complete absence of anything mechanical.

This unusual excellence of tone quality is due to scientific development of each of the three essential tone units, the Sound Box, Tone Arm and Tone Chamber. By properly constructing each of these parts, the great Paramount Organization has placed this machine in the lead in quality of tone.

In cabinet-building, too, the Paramount shows advanced progress. Each of the Paramount models is exquisitely built—a product of master craftsmen.

The Paramount plays all records. It enables every owner to choose from the world's best music.
